This celebrated collaboration serves to ENRICH not only the students at Broadmoor School however, has also created meaningful hands –on service opportunities for Perry High School Students. PSL strives to help students develop advocacy skills, work for justice and become responsible citizens of their community. Each year, PSL provides over 500 hours of service to Broadmoor School. One of the mantra's of the program is that 'it's not about the hours, but the people you serve along the way.'

We are so thankful that you have ENRICHED our lives along the way! We are also proud to say that the experiences PSL students have had at Broadmoor provided them with a direction and focus for college and beyond. This celebrated collaboration has enriched all every student involved .
