

Dear Business Partner,

More than 90 students have enrolled in the Perry Service Learning (PSL) program for the 2021-22 school year and they are already planning to provide the following services in our community:

- The Pirate Power Pack program will distribute 7,500 meals to students attending the Perry Local Schools who might otherwise experience food insecurity;
- the PSL Kitchen will prepare and deliver 36 meals for over 500 residents at Project Hope for the Homeless and Forbes House;
- the PSL Giving Garden will provide over 400 lbs. of fresh produce to The Perry Center;
- the PSL Green Team will recycle over 250 lbs. of aluminum, thousands of plastic bottles, and conduct clean-ups along the shores of Lake Erie and the Grand River;
- the Holiday Food Drive will generate 4,000 lbs. of food and \$3,000 for The Perry Center;
- and the PSL student philanthropy program will provide \$2,000 to local non-profits;

Moreover, each PSL student will volunteer 3 hours per week either tutoring in classrooms, visiting residents in nursing homes, coaching Perry recreation participants, providing respite care in domestic violence shelters, or visiting the sick in hospitals.

Your support is vital to the continued success of the PSL program. If you are interested in becoming a program sponsor, just complete the attached form. Sponsors may include: businesses, families, memorials, churches, or other organizations. If you have questions, please contact Mark Soeder at soederm@perry-lake.org or Allison Trentanelli at trentanellia@perry-lake.org

Thanks for your consideration,

Mark Soeder and Allison Trentanelli
