Clients are typically on-site for about 6 hours each day, participating in a variety of treatment activities and receiving academic instruction in highly structured, supportive classrooms. | Form 990, Part III, Line 4d | <p>Early Head Start Crossroads federally-funded Early Head Start EHS program serves pregnant women, expectant fathers, infants, toddlers to age three, and their families. EHS promotes healthy family functioning, self-sufficiency, and healthy child development. In weekly visits to families' homes, Home Visitors provide comprehensive child development services including screenings and assessments to monitor children's development and identify any developmental concerns; they also provide resources and support to help families enhance parenting skills, and to promote the development of school readiness in children from birth to three years of age. Families are linked to vital medical and dental services and other community resources. Our federal EHS grant funds an enrollment of 60 children; we served a total of 80 families, during our fiscal year ending June 30, 2017, and project a similar number for our fiscal 2018 year. We have significant participation of racial/ethnic minorities, including many Hispanic families. Bilingual program staff and printed program materials in Spanish have been critical to the program's success. EHS is the cornerstone of Crossroads' comprehensive array of Early Childhood Behavioral Health Services.</p> |

Pharmacological management helps our clients reduce, stabilize and/or eliminate psychiatric symptoms and improve their overall functioning. Educating clients and family members about the purpose, risks, benefits and side effects of their medications is an important element. Our psychiatrists and advanced-practice nurses carefully consider clients medical history and physical health, current medications, drug allergies and substance use in their prescribing decisions. Because of their rapid physical, emotional and cognitive development, and the complexity and subtlety of diagnosing and medicating children, we monitor our clients closely our practice is for prescribers to see their clients at least every 90 days. During our fiscal year ending June 30, 2017, 850 clients received Pharmacological Management services we estimate that 890 will be served during our fiscal year ending June 30, 2018.</p> |
