

PERRY SERVICE LEARNING INVITES YOU TO GET INVOLVED

The PSL program is celebrating 16 years of helping students connect their living with their learning through service opportunities with organizations that meet unmet needs in our community. We invite you to consider supporting some of the new and existing programs that PSL students will be involved with this year.

MAGNIFIED GIVING STUDENT PHILANTHROPY PROGRAM

Since 2013, PSL has partnered with Magnified Giving to donate \$16,600 to deserving nonprofits in our community. This innovative program teaches students the art of philanthropy by requiring them to identify community needs, research local nonprofits, and donate to deserving organizations. Please consider making a gift to the PSL Magnified Giving fund. Your donation will not only touch the lives of students in the PSL program, but will also make its way to local nonprofits where it will be used to affect many more lives.

PIRATE POWER PACK PROGRAM

PSL partners with The Perry Center to offer healthy meals for Perry Elementary and Middle School students who may experience food insecurity over the weekends. This program provides participating students with a small bag of food for the weekend, free of charge. We are especially in need of the following items: mac & cheese, soup, spaghetti, individually wrapped snacks, and individual packages of cereal. If you prefer, you can also make a cash donation.

PSL KITCHEN GIVES HOPE

PSL partners with Project Hope for the Homeless to provide meals for families staying at the shelter. To help make sure every belly is full each night, especially the smallest of them, we are seeking donors to help us purchase groceries in order to prepare meals for 15-20 people staying in the family shelter. Each week, a small group of PSL students will meet in the PSL Kitchen to prepare a meal that includes salad, a main course, and dessert. Your donation will equip our students with a full pantry to prepare nutritious meals.

PSL SHIRTS FOR A CAUSE ON SALE NOW

The shirts feature the PSL logo on the front and the names of each member of this year's PSL class on the back. The shirts are great to wear for most volunteer events. Proceeds benefit PSL programs (i.e. Shantytown, PES Ability Awareness Program, Community Green Day, plunges, and field trips). If interested, please complete the order form below and submit as soon as possible.

Student Name: _____ T-shirt Size (circle one): S M L XL XXL
