NORTHEAST OHIO NONPROFIT PLUNGE
SITE VISIT SIGN-UP FORM

Rationale: Magnified Giving strongly encourages students to conduct site visits at the agencies that are being considered for grant money. In addition to providing students with a hands-on learning opportunity, these visits empower students to make educated decisions about where to grant their money. The site visit enables students to get to know the organization in a way they just couldn't understand by simply reading the completed grant application. A basic rule every development professional understands is that people give money to people - not programs. The site visit allows students to see where their money is being invested and the people whose lives will be affected by their investment.

philanthropists today

What's in it for you?
We understand that conducting a site visit requires a considerable sacrifice of time. In an attempt to compensate students for this sacrifice, any student who conducts a site visit will:

- be treated to lunch <u>or</u> dessert (options include Mama Santa's Pizzeria, Corbo's bakery, Mitchell's Ice Cream, Malley's Ice Cream, etc.)
- be excused from 2 service hours the week that the visit takes place.
- receive 4 hours towards their 10 extra hours
- receive an ADV summative score on the following objectives
  o #6 Initiate and participate effectively in a range of collaborative discussions
  o #15 Engage in problems and contribute to the common good
  o #18 Evaluate the effectiveness of community organizations

Expectations: Students conducting the site visit are expected to:
- Complete field trip permission form
- Dress appropriately and act professionally
- Ask questions and write down responses

- Capture findings from the site visit so that they can be shared with students who did not attend.

Yes, I am interested in conducting a site visit to learn more about local NPOs and boost my PSL grade!
Note…space is limited to 7 students. A lottery will be held if more than 7 students sign up.
