

# Alex Nichols

Your hands are your world,  
You have the power to lift the sun  
And to reach for the stars.  
What will you do with your HANDS?

# I AM FROM

I am from Perry,  
Prideful and small.  
I am from a close family,  
Most of whom are tall.

I am from nature,  
The peace of the leaves,  
From the flowers of gardens  
And the waves of the sea.

I am from the world,  
A large group of people.  
I am from PHS,  
Parking by the E-pole.

I am from the creatures  
That roam the water, land, and sky.  
I am from the wind  
That always passes by.

I am from the rain,  
That cleanses the soul.  
I am from Christ  
Through prayer and Pastor Cole.

I am from the US,  
Where people are "free".  
I am from my friends,  
All of which are family.

I am from my parents' divorce,  
From which I grew stronger.  
I am from the hearts,  
Where love can last longer.

I am from my past  
And all the people in it,  
And I'm from my art,  
Where everything fits.
