

DOCTOR FUN

It was a mistake for Eric to wear a t-shirt to his job interview, and it was a bigger mistake to wear that particular t-shirt.

Part One: Questionnaire

Soon you will be sharing your resume and video introduction with representatives from local nonprofits and organizations recruiting PSL volunteers. You will need to think carefully about your availability, skillset, and interests to make sure that they align with times and volunteer positions that your potential supervisor is looking to fill. Ultimately, you will apply for 4 positions (3 chosen by you and 1 chosen by your PSL teachers). This form is intended to help you determine your top three picks and help your PSL teachers suggest one alternative. In order to make sure that you only apply with organizations where you could legitimately volunteer, please complete the questionnaire below:

2. What block do you have lunch? _____
3. What additional block(s) do you have free during the day? _____

6. Do you attend Auburn Career Center? _____
7. Are you enrolled in CCP courses? If so, please list. _____

16. If you have a job, please tell us where you work and approximately how many hours you work per week.

17. What clubs, athletic teams, and/or community groups do you participate in?

18. Please share additional information that would help the instructors match you with a PSL partner agency.

19. Approximately how many hours did you volunteer during your junior year? _____

20. What volunteer experience(s) do you have?

21. What are your plans after high school?

22. What type of job do you see yourself having 10 years from now?

23. What is your personal cell phone number? _____

Note...we are required to collect this information since most of you will be volunteering off campus and we may need to get in touch with you in case of an emergency.

Next Steps: We will review resume writing and video introduction videos in upcoming classes. Please start reviewing the volunteer opportunities available on the PSL partner agency page and begin to think about where you would like to volunteer.
